Exam: 2.5 hours  
Price: £995 + VAT  
Pre-Requisites: P3O<sup>®</sup> Foundation

## Course Modules

Why have a P3O?

Models and Tailoring

Implementing and Re-energising

How to Operate a P3O  
(including Tools and Techniques)

P3O<sup>®</sup> Practitioner is accredited by AXELOS. It's a 2 day course for more senior PMO practitioners. It covers how P3O<sup>®</sup> can benefit the business, and how to design and implement the correct P3O<sup>®</sup> model.

### Why should you take the course?

- 1 Learn to identify and adapt P3O<sup>®</sup> models for an organisation's need
- 2 Learn how to implement a P3O<sup>®</sup>
- 3 Understand and develop a PMO business case

### Who is it for?

- 1 PMO Managers/Leads
- 2 Those designing and implementing a PMO function

### How to book

Head to:  
[www.pmolearning.co.uk/p3o-practitioner](http://www.pmolearning.co.uk/p3o-practitioner)  
where you can see our upcoming dates and reserve your place on a course.

### Studying P3O<sup>®</sup> Qualifications

We offer some alternate ways to study P3O<sup>®</sup> qualifications. The courses can be taken together as a 5 day course (£2125 + VAT) or via self study with an exam study day. Upcoming dates can be found on the respective course pages.

### About PMO Learning

PMO Learning is the UK's only PMO focussed training company. We develop and run both certification and specialist PMO courses as well as providing coaching, consultancy and bespoke course creation. All of our courses are available as in-house delivery.

P3O<sup>®</sup> is a registered trade mark of AXELOS Limited, used under permission of AXELOS Limited. All rights reserved.
